Request for Fee Waiver:

I request a waiver of all fees associated with this request pursuant to Md. Code Ann., Gen. Prov. § 4-206(c), as the disclosure of the requested information is in the public interest and will contribute significantly to public understanding of government operations. The requested records concern coordination between state and federal courts, potential conflicts of interest, and the administration of justice.

Additionally, I am currently subject to ongoing garnishments based on unverified income and lack the financial resources to pay fees for these records.

Format:

Please provide responsive records in electronic format (PDF) via email to marvindtutt@gmail.com if possible to reduce costs.

Acknowledgment:

Please confirm receipt of this request and provide an estimated timeline for response as required by Maryland law.

Background:

This request relates to ongoing federal litigation (Case No. 8:25-cv-01820-TDC, currently on appeal to the Fourth Circuit) in which I allege coordination between state and federal courts to dismiss my civil rights claims. The October 15, 2025 hearing appears to have been scheduled without stated purpose and Judge Greer's departure from the courtroom when questioned about the hearing's purpose raises concerns about the legitimacy of the proceeding. Additionally, Andrea Khoury's transition from DSS counsel (2014-2023) to representing CSEA against me while serving as a Family Magistrate presents potential conflicts of interest that warrant examination.

Respectfully submitted,

Marvin D. Tutt
