Subject: FORMAL NOTICE: Public Interest Alert & Demand for Record Preservation — Evidence of Systemic Fraud, Obstruction of Justice, and Conspiracy by Maryland State Officials

**To:** The Honorable Wes Moore, Governor of Maryland The Honorable Anthony Brown, Attorney General of Maryland Leadership of the Maryland General Assembly Leadership of the Maryland Department of Human Services Leadership of the Administrative Office of the Courts

My name is Marvin D. Tutt. I am a citizen of Maryland, a resident of Prince George's County, and a *pro se* litigant proceeding *in forma pauperis* in the U.S. Court of Appeals for the Fourth Circuit (Case No. 25-1950).

This is a formal public-interest notification. I am writing to inform you that I have uncovered documented, indisputable evidence of an active, multi-branch conspiracy by Maryland state officials to obstruct justice, defraud the federal courts, and conceal systemic, ongoing financial fraud.

This is no longer a private legal dispute. It is a public crisis of governance that demands your immediate attention. My evidence, obtained through the Maryland Public Information Act (PIA) and court records, confirms the following:

1. **A "SHELL GAME" BY THE ATTORNEY GENERAL'S OFFICE:** I have documented proof that the **Office of the Attorney General (OAG)** and the **Public Access Ombudsman (PAO)** have provided false, contradictory, and bad-faith statements in formal PIA responses to conceal evidence from a federal appeal. The OAG claimed records were sent to the PAO as a basis for withholding, while the PAO simultaneously claimed to have "no records" referencing me. This is a documented lie to obstruct justice.
2. **EXECUTIVE-LEVEL OBSTRUCTION:** I have documented evidence that the **Governor's "emergency" Voluntary Separation Program (VSP)** was announced on June 24, 2025—**less than 24 hours** after my 66-page federal conspiracy lawsuit (ECF No. 1) was filed. This timing is *prima facie* evidence of an act of obstruction, intended to allow liable state employees to disappear and to purge evidence under the guise of a

"fiscal emergency."

3. **JUDICIAL COMPLICITY:** On October 15, 2025, a **Charles County Circuit Court judge (Judge Greer)** *fled his own courtroom* mid-hearing when I questioned him on the record about the legal basis for the hearing and his coordination with the OAG.
4. **SYSTEMIC, ONGOING FRAUD:** This all stems from the core fact that state agencies (DHS/CSA) are *still*—to this day—knowingly and fraudulently garnishing my \$0 income based on "phantom" \$82,000 data, in violation of federal law and my constitutional rights.

This is not a "trap" I am *alleging*; it is a trap I am *documenting*. The refusal of the Attorney General to even appear in my federal appeal is a strategic, bad-faith attempt to evade service and force an indigent citizen to pay for postage, knowing this is a procedural trap.

**This email serves as a FORMAL PRESERVATION DEMAND.** You are all hereby on notice. I demand that you take immediate, affirmative steps to preserve **ALL** records related to me (Marvin D. Tutt), my court cases, and the development and timing of the June 2025 VSP. This includes all emails, text messages, internal memos, and correspondence.

I am not asking you to intervene in my case. I am *informing* you that a conspiracy to obstruct the federal judiciary and defraud the public is happening on your watch, and I am documenting that *you have been notified*.

I fully expect this correspondence to reach the U.S. Department of Justice and the appropriate congressional committees, as the integrity of our state and federal systems is at stake. The people of Maryland deserve to know.

Respectfully,

Marvin D. Tutt Citizen of Maryland 5407 Brinkley Road Temple Hills, MD 20748 [marvindtutt@gmail.com](mailto:marvindtutt@gmail.com) 240-432-5869
