To: Senator Ben Cardin, Senator Chris Van Hollen **BCC:** [Your other contacts: Rep. Ivey, media, etc.] **Subject:** FORMAL NOTICE & Request for DOJ Referral — Evidence of Maryland State Conspiracy & Obstruction of Federal Court (Case 25-1950)

Dear Senators Cardin and Van Hollen,

I am your constituent, Marvin D. Tutt, residing at 5407 Brinkley Road, Temple Hills, MD.

I am writing to formally place your offices on notice of a multi-branch conspiracy by the State of Maryland to obstruct a federal appeal (4th Cir. Case No. 25-1950) and to defraud the federal government.

I urgently request your offices make a **formal congressional referral to the U.S. Department of Justice (Civil Rights Division)** for a "pattern-or-practice" investigation.

This is not a simple legal dispute; it is an active cover-up. My newly discovered evidence, obtained via the Maryland Public Information Act (PIA), confirms:

1. **Obstruction by the MD Attorney General:** The Maryland Attorney General's Office (OAG) and the Public Access Ombudsman (PAO) have been caught in a documented lie, providing false and contradictory statements in formal PIA responses to conceal evidence from the federal appeal.
2. **Executive-Level Obstruction:** The Governor's Office announced an "emergency" employee buyout program (VSP) less than 24 hours after my federal conspiracy lawsuit was filed, in a clear act of obstruction designed to purge records and allow liable employees to disappear.
3. **Ongoing Federal Fraud:** This conspiracy is designed to protect the state's systemic, fraudulent use of "phantom income" to illegally garnish citizens in violation of the federal Consumer Credit Protection Act (CCPA). This is an ongoing Title IV-D federal funding fraud.

These state-level actions are not just harming me; they are an attack on the integrity of the federal judiciary and a violation of the civil rights of all Marylanders. The state's refusal to even appear in the federal appeal is a bad-faith procedural trap designed to silence an *in forma pauperis* litigant.

I am not asking for legal advice. I am notifying you, on behalf of the public, that our state government is actively obstructing a federal court. I urge you to use your congressional oversight authority to refer this matter to the U.S. DOJ for an immediate investigation.

I am filing an Emergency Motion with the Fourth Circuit tonight documenting this evidence. I can provide your offices with all supporting documentation.

Thank you for your urgent attention.

Respectfully,

Marvin D. Tutt 5407 Brinkley Road Temple Hills, MD 20748 marvindtutt@gmail.com 240-432-5869
